

# चौधरी महादेव प्रसाद महाविद्यालय C. M. P. DEGREE COLLEGE

(A Constituent P.G. College, University of Allahabad)

Under the Strengthening Component of DBT Star College Scheme

Website: [www.cmpcollege.ac.in](http://www.cmpcollege.ac.in)

## Program Outcomes (PO):

PO1: **Knowledge Skill:** The students will understand and analyze the core economic terms, concepts, and theories in microeconomics and macroeconomics.

PO2: **Critical Thinking:** The students will be able to analyze the real situation of the economy (including the pattern of income, saving, investment, inflation, unemployment, poverty, rate of development, size of the population, and social security measures) that will further help them to enhance their critical thinking.

PO3: **Research Competence:** The students will be capable of performing quantitative analysis, such as mathematical, statistical, and econometrics analysis for the economic well-being of the country.

PO4: **Effective Citizenship:** The students will be able to evaluate the fiscal and monetary policies with the comparisons of the economic practices existing at the national and international levels.

PO5: **Ethics:** The students will be capable of recognizing the socio-economic condition of a society and able to understand the social welfare and social security of the society.

PO6: **Entrepreneurial Skill:** The students will increase their employability through the learning of soft skills, entrepreneurial skills, and problem-solving skills.

PO7: **Environment and sustainability:** The students will be able to understand the issues related to environmental concerns and sustainable development.
